

Is the COVID-19 plague from Adonai? Is the destruction of the Twin Towers a sign of judgment from Adonai? If I was writing a fiction novel describing the terrorists attack on September 11, 2001, I couldn't pick a better place to attack America than choosing the World Trade Center and all 7 of its buildings. The two towers were designated WTC 1 & WTC 2 and no one expected the towers internal structure to fail and fall to the ground taking out the other 5 buildings. The WTC 7 building was located above the rectangular footprint of the other 6 buildings but was so heavily damaged it was also taken down in the rebuilding process.

This destruction seems supernatural in its completeness and the fact the designers chose to build 7 buildings, speaks of Adonai. Seven is God's signature number and anytime we see this number we should take notice. In 1789 New York City was our first capital and George Washington dedicated our nation to God in St Paul's Chapel which is adjacent to ground zero. The church survived and was used by the fire department to marshal it's men and equipment for the recovery of bodies from ground zero. Further evidence that Adonai had His hand in all this is the fact that 7 years later the United States suffered its greatest financial collapse since the stock market crash of 1929. On 9/29/2008, 7 years later the DOW lost 777 points which was 7% of the entire stock market value. Adonai wants our attention. Interestingly, AA flight #11 struck the first tower and AA flight #77 struck the Pentagon. You could say the World Trade Center including the Twin Towers represents capitalism, the engine driving our economy and the Pentagon represents the nations wall of defense.

Genesis 1:14: *God said, "Let there be luminaries in the firmament of the heaven to separate between the day and the night; and **they shall serve as signs** and for festivals, and for days and years.*

Since 1 CE there have been 9 Tetrads (NASA term) comprising 2 consecutive years of 2 blood moons, each year. Blood moons deal with the nation of Israel since their calendar is based on a lunar cycle. God speaks to the gentile nations

using solar eclipses since their calendar is based on the Gregorian calendar. This is proven by the fact that all 9 tetrads happen with their blood moons all appearing on Jewish feast festival holidays. These blood moons typically signal major events happening with the Jewish nation. There was a Tetrad in 1949/1950, when Israel became a state in 1948. The next Tetrad was in 1967/1968 when Israel captured Jerusalem in the 6-day war in 1967. As you will see further along in this article, Adonai is judging our nation like He has done with the nation of Israel. It is no coincidence the nation of Israel and the United States of America are the only 2 nations on earth that were dedicated to God at their inception. God gives us a hint of this connection in the name of His beloved city **JERUSALEM**.

Daniel 5:6: *So they brought the golden vessels that they had removed from the Sanctuary of the Temple of God in Jerusalem, and the king, his nobles, his consorts, and his concubines drank from them. They drank wine and praised the gods of gold and silver, copper, iron, wood, and stone. Just then fingers of a human hand came forth and wrote on the plaster of the wall of the king's palace....* The colored picture on the first page depicts our equivalent king's palace, the White House, bathed in the rainbow colors celebrating the Supreme Court's decision on June 26, 2015 approving same sex marriage for all 50 states. Notice on the Blood Moon picture the two total solar eclipses bracketing this date of June 26, 2015. A few months later, August 10, 2015, the laser image of the Hindu God Kali, the god of death and destruction, was projected onto the Empire State Building. These events are all signs from Adonai of coming judgment. The ultimate sign of His coming judgment to America is shown below. What could be more graphic than God drawing a big black "X" across our nation from coast to coast exactly 7 years apart? Prior to 2017, the last time our nation saw a total solar eclipse from coast to coast was in 1918. Think how infrequently we experience this with 99 years separating these last two events. In 2024 we will have the second total solar eclipse, coast to coast, exactly 7 years apart. The total solar eclipse that happened in 1918 is the start of the Spanish Flu that killed an estimated 50 million people with 675,000 dying in the United States. It also signaled the end of World War I, The Great War, to end all wars. Proving again that God uses solar eclipses to speak to the gentile nations. Adonai wants our attention!

Interesting that the Spanish Flu started in 1918 and lasted 2 years. Fast forward 100 years and we have a similar occurrence with the COVID-19 flu. Does Adonai have your attention?

On the day of 9/11 mayor Rudy Giuliani quoted from the Tanach/Bible in Isaiah 9:9: *"Bricks have fallen, we will rebuild with hewn stone; sycamores have been cut down, we will replace them with cedars."* Senator Tom Daschle on 9/12/01 repeated these same words. Governor George Pataki on July 4, 2004 at the ceremony at ground zero laying the hewn granite 8-ton cornerstone, repeated these same words. Not one of these 3 men realized this was a curse from Adonai and His word, the Bible, on all men who would take on any task with pride and arrogance of heart forgetting to seek and acknowledge Adonai, Master of Legions. Isaiah 9:8-12: *...who had said with pride and with arrogant heart, **Bricks have***

fallen, we will rebuild with hewn stone; sycamores have been cut down, we will replace them with cedars....But the people has not returned to the One Who smites it; they do not seek Adonai Master of Legions.

There was a sycamore tree growing just below WTC 1 tower where a steel beam from the tower destroyed the tree. In a ceremony 2 years after 9/11 a cedar type tree was planted in the same location as the destroyed sycamore tree. The tree was given the name "Tree of Hope". Over the next few years, the grounds keepers tried to rejuvenate this tree since it was struggling to live. Part of this process included pruning the tree branches, but nothing worked. Very few people realized this was another sign of coming judgment. An image, a metaphor, and event. The prophet Isaiah used it to prophesy the destruction of Ethiopia. *He will...take away **and cut down the branches.*** Isaiah 18:5 *The prophet Ezekiel foretold the fall of Egypt this way: **It's branches have fallen...its boughs lie broken.*** Ezekiel 31:12 *The prophet Jeremiah foretold judgment and fall of Israel with these words: He has kindled fire on it, and its branches are broken.* Jeremiah 11:16. *And so the boughs of the **Tree of Hope**, the harbinger, withered away...and they were cut off.* The Tree of Hope was dismembered. The tree planted to symbolize national resurgence turned instead into a different sign, that of a nation's fall. The gardeners destroyed the **Tree of Hope** on a Jewish feast holiday, Passover. This feast commemorates the judgment of a nation. Passover, the day that the last plague came on a nation (Egypt) that warred against God. On the 10-year anniversary (September 11, 2011) of the destruction of the twin towers, President Obama wrote on the Freedom Tower top-most beam 3 lines entailing 8 words; **We remember, We rebuild, We come back stronger!** A vow of 8 English words to match a vow of eight Hebrew words. And by 8 words an ancient nation was sealed for judgment and destroyed. The nation of Israel has killed thousands of its children, but the United States has killed millions. In 1970 NY state passed the first law to sanction the killing of unborn children. When it comes to the killing of children, New York is America's capital city. On January 22, 2019, The Reproductive Health Act passed the New York State Senate by a vote of 38-24 and to celebrate the signing of this bill. The Freedom tower was illuminated in pink light at the very top spire, just above the 1776-foot tower. It is interesting that the one-year Bible that originated in America and printed some years before 9/11, had the quote for the day of 9/11, Isaiah 9:8-10, the curse for an unrepented nation giving further evidence of pronounced judgment coming to America. Israel serves as the ancient template of this coming judgment. Looking at this template we see the nation's first shaking of the northern kingdom which took 10 years between the first attack and the final destruction. For the southern kingdom Judah, the initial invasion started in 605 BC by the Babylonians, and the Hebrew nation, including the Temple and Jerusalem were destroyed in 586 BC, 19 years later. In 2001 we had the first shaking and then in 2020, 19 years later, came the year of the coronavirus, the year of disorder, of collapse, the year of greater shaking. A shaking that spreads fear to every city and town in America and around the world, that causes millions to hide themselves inside their homes, that paralyzes much of the nation's economy and the world economy, that causes a declaration of disaster to be issued in every one of America's fifty states and shuts down most of the planet for the first time in world history. I would think that is enough of a shaking! **This plague has been given the title of "COVID-19",** nineteen, **19**, the number of judgment.

Is there any specific sin or act that could call forth such judgment? There are many but one that especially calls it forth. It could be none other than the shedding of blood. It is an ancient law that evil must be answered in kind and the taking of human life by the taking of human life. Lincoln said, "the blood drawn in slavery would be answered by the blood drawn in war." There is only one sin this generation is guilty of. A sin involving the shedding of blood and the taking of human life. The killing of unborn children, the slaughter of the most innocent, abortion on demand. Jeremiah 19:3-6:...*They filled this place with the blood of innocent people; and they built the high places of the Baal, **to burn their sons in fire for burnt offerings to the Baal**...therefore...this place will no longer be called Tophet and the Valley of the Son of Hinnom, but the Valley of the killing.* What would be a just punishment from God to the older generation that perpetrated this shedding of blood of the unborn? A plague that would strike down the older of our generation and especially spare the young. Seems logical to find the plague first in China that performs more abortions than any other country. And then to enter New York where the very first law was passed legalizing abortion in 1970 which eventually led to the 1973 Supreme Court decision in Roe V Wade to legalize abortion for all 50 states. Of all the cases of the virus in America, over half of them were traced back to New York. So, the sin of abortion went forth from New York in 1970, and then the

plague came 50 years later in 2020. Seattle, Washington was where the first official case of the virus was recorded and in 1970 Washington state was the other state, along with New York, that passed laws permitting abortion. Soon 14 other states followed suit until 1973 when the Supreme Court forced it on all 50 states. Just prior to the plague coming to New York, the New York legislature passed a law legalizing the killing of children up to the point of birth. Jeremiah prophesied of Tophet, that as Tophet had brought death to the nation's children, so death would come back to it. On 20 January 2020, the first known case of COVID-19 was confirmed in the Pacific Northwest state of Washington in a man who had returned from Wuhan on 15 January. The Reproductive Health Act is a New York statute enacted on January 22, 2019 that expanded abortion rights, eliminating several restrictions on abortion including the killing of babies up to the point of birth. The plague was given the name COVID-19 in recognition of the plague beginning in 2019 in China. Interesting that it has been 19 years from the first judgment of 9/11/2001 to 2020 when it first came to Washington state.

Is there any good news for today and the days to come? Unless the Supreme Court reverses Roe V Wade and same sex marriage before 2024 then the answer is NO! Destruction of this nation will come with nuclear war appearing in many of our cities. As you can see from above, **New York City will be one of those cities destroyed.**

The good news is that the corona virus has caused millions in our country to find new hope in the Jewish Messiah, (Mashiach) Yeshua. **Please, please, please, if you are of Jewish decent do not put this paper down** until you consider the following. Yeshua was a direct descendant of King David. He was not a Christian, but a Jew, born to a Jewish mother. His disciples were all Jewish and most of his followers were as well. The Christian Bible, the New Testament, is not a Catholic book. It is another Jewish book written by Jews. The Jews were given such a heritage with a great mission. The mission was to write down all of God's words and dealings with the Jewish nation so the entire world could understand what Adonai requires for forgiveness of sin. The greatest proof of the truth of the Bible is the nation itself. For the last 2000 years Jews were called "The wandering Jew", and then in 1948 the prophecy was fulfilled with the state of Israel being formed in one day, with the stroke of a pen at the United Nations. Isaiah 66:8: *"Who has heard such a thing? Who has seen such things? Can a land be born in one day? Can a nation be brought forth all at once? As soon as Zion travailed, she also brought forth her sons.* Read your Talmud, YOMA 39 and understand what happened to your Temple in 33 CE and for the next 37 years after. Check out Daniel 9 that talks about a very specific period of time which is easily discerned in the history of your nation. Mashiach Yeshua could only have appeared on earth during this time, and no other time. Read about Mashiach in Isaiah 53 and Psalms 22.

Yeshua walked this earth 2000 years ago and will appear the second time in the year 2033. For further information go to the web and type into your browser "bloodmoonharbinger.com". or "propheticbloodmoons.com"

Where you will spend eternity depends on what you do in this life and whether you come into fellowship with Yeshua. **Yeshua (Jesus) said "Truly, truly, I say to you, unless one is born again he cannot see the kingdom of God."** John 3.3. Go to your Tanach and read Psalms 118:22-23: *The stone the builders despised has become the cornerstone, this emanated from Adonai; it is wondrous in our eyes.*

Do you despise Him, or will you come to love Him?

Note: Much of the teaching above came from Jonathan Cahn's book, "The Harbinger".
