

Looking for the antichrist

Revelation 13:3:

And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast.

We are truly at the start of the "**End Times**" and I am not yet ready to say that Donald Trump is the antichrist. The only thing holding me back from believing this is the prophecy given by Kim Clement on two different occasions in 2007, 9 years prior to Donald J Trump becoming president in 2016.

Below is the prophecy given by Kim Clement on April 4th, 2007 in Redding CA.

For God said, I will not forget 9/11. I will not forget what took place that day, and I will not forget the gatekeeper that watched over New York, who will once again stand and watch over this nation, says the Spirit of God. Trump shall become a trumpet, says the Lord. Trump shall become a trumpet. I will raise up the trump to become a trumpet and Bill Gates to open up the gate of a financial realm for the church, says the Lord. Where time magazine will have no choice but to say what I want them to say. Newsweek, what I want to say. The View, what I want to say. This that shall take place shall be the most unusual thing, a transfiguration, a going into the marketplace, if you wish, into the news media.

Below is the prophecy given by Kim Clement on February 10th 2007 Scottsdale, AZ.

There will be a praying president, not a religious one, for I will fool the people, says the Lord. I will fool the people, yes I will. God says, the one that is chosen shall go in and they shall say, "He has hot blood." For the spirit of God says, yes, he may have hot blood, but he will bring the walls of protection on this country in a greater way and the economy of this country shall change rapidly, says the Lord of Hosts. Listen to the word of the Lord. God says, I will put at your helm for two terms a president that will pray, but he will not be a praying president when he starts. I will put him in office and then I will baptize him with the Holy Spirit and my power, says the Lorde of Hosts.

Why I believe Trump could be the antichrist!

1. The attempted assassination of Donald Trump on July 13, 2024, in Butler PA. This attempt may have fulfilled the prophecy in **Revelation 13:3** in an unusual way.
 - a. *And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast.* The shot to his head was only to his ear but it seems to fulfill the scripture where it says "As if it had been mortally wounded". Trump wasn't mortally wounded, but $\frac{1}{2}$ of an inch separated him from a mortal head wound that would have killed him instantly. In a sense his deadly wound was healed miraculously by just $\frac{1}{2}$ inch. Eight shots were fired, one hit Trump's ear, a second wounded a male spectator and a 3rd killed a fire fighter. Yet Trump miraculously survived.
2. The Abraham Accords are bilateral agreements on Arab-Israeli normalization signed between Israel and the United Arab Emirates and between Israel and Bahrain on September 15, 2020. Mediated by the United States, the announcement of August 13, 2020, concerned Israel and the Emirates before the subsequent announcement of an agreement between Israel and Bahrain on September 11, 2020. On September 15, 2020, the signing of the agreements was hosted by US president Donald Trump on the Truman Balcony of the White House. During President Trump's second term, the White House administration anticipates including Saudi Arabia in the Abraham Accords agreement.
 - a. The antichrist is to make a peace treaty with Israel. Daniel 9:27: *Then he shall confirm a covenant with many for one week; But in the middle of the week He shall bring an end to sacrifice and offering.*

The signing of the Abraham Accords

It seems this war with Hamas, Hezbollah, and the Houthis will likely end once Israel and the United States deals with Iran. At some point before the end of 2026 the Trump administration will most likely modify the Abraham Accords peace treaty guaranteeing Israel a 7 year peace treaty. You must admit that Trump has caught the attention of the entire planet with his inauguration speech, spearheading the peace talks with Russia and Ukraine. Trying to get Hamas to give up the hostages and bringing peace in the middle east. Of all the elites and politicians in all the nations, Trump truly stands out as the most likely antichrist. Now, I have always loved Trump believing he is a man of God, but only because of what Kim Clement prophesied and the fulfillment of this prophecy in that he is now serving his second term. I have highlighted the two prophecies above in red text that have not yet been fulfilled. Trump could still be the antichrist if Kim was wrong in saying he would be filled with the Holy Spirit. Only time will tell.
